

PRAYER FOR NEW SCHOOL PROJECT

Loving and Provident God,

Thank you for your many blessings. We thank you for our parish community of St. Francis of Assisi and pray that it will continue to flourish and grow. We ask for your blessing as we look to the future and the building of a new school. Please provide us with your wisdom in all decisions, large and small, for its successful completion. Guide us as we go through the process of planning, financing, and building our new school that it may bring glory to your name. Send your Spirit upon the students, teachers and parents and fill them with your wisdom that they may go forth in love to serve God and neighbour.

We ask this through Christ our Lord.

St. Francis of Assisi, pray for us.
